

Cell Membranes (Paperback)

By Lukas K. Buehler

Taylor Francis Inc, United States, 2015. Paperback. Condition: New. 1st ed.. Language: English . Brand New Book. Cell Membranes offers a solid foundation for understanding the structure and function of biological membranes. The book explores the composition and dynamics of cell membranes-discussing the molecular and biological diversity of its lipid and protein components and how the combinatorial richness of both components explains the chemical, mechanical, and self-renewing properties of cell membranes. Cell Membranes is a valuable resource for advanced undergraduate students, graduate students, and professionals.
