## Donaldsons Essential Public Health, Fourth Edition (Paperback)

By Sir Liam J. Donaldson, Paul Rutter, Gabriel Scally

Taylor Francis Ltd, United Kingdom, 2017. Paperback. Condition: New. 4th New edition. Language: English . Brand New Book. Donaldsons Essential Public Health has been in continuous print for 35 years, evolving through successive editions. This unrivalled record of success for a textbook of public health shows the enduring appeal of its content, style, and accessibility to generations of students and practitioners. For many of today's national and global public health leaders, the book was their guide as they began their careers, their benchmark as they passed their examinations and professional accreditation, and remains their companion as a source of reference and refreshed knowledge for teaching and practice. The book brings together, in one volume, the main health problems experienced by populations and by the key groups within them, the strategies for promoting health and preventing disease, the principles and applications of epidemiology, the main themes of health policy, and a description of health service provision. This fourth edition marks the biggest change to the book in 20 years. For the first time it sets each key subject area in a global health context, whilst retaining its traditional strength in covering population health for the United Kingdom. New and revised...
