Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Aliya Franecki)

EVEN THE WICKED

HarperCollins Publishers Inc, United States, 2002. Paperback. Book Condition: New. 173 x 109 mm. Language: English . Brand New Book. New York s a tough town. Hard to impress. Shrugs off hype, casts a cold eye on glitz. But once in a blue moon a killer with street smarts and a sense of theater will reach out and take the city by the throat. Maybe he ll write letters to a popular tabloid columnist, proclaiming himself the answer to a failed criminal justice system. Maybe he ll point a finger at the kind of villain the law can t touch. A child killer who got off on a technicality, say. A top mobster with decades of blood on his hands. A rabble-rouser who incites others to murder. Maybe he ll sign himself Will, as in The Will of the People. Then suppose he takes aim at a respectable lawyer, a defense attorney with a roster of unpopular clients. Suppose the lawyer s a friend of Matt Scudder. Scudder is New York to the bone. He s as tough as the big town itself, as hard to impress. And now he s up against the self-styled Will of the People in a city with eight million ways to die, a city where not just the good guys but even the wicked get worse than they deserve.
