

## Stand Against Infinity (Paperback)

By Aaron K Redshaw

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. H662 has always tried to be a part of the solution, working hard for society and the goals given him by the government. Now he is beginning to see the tragic outcomes of his society, until he wavers on a knife edge of decision. U2258 works in the largest building in the city, helping to bioengineer the future. But the current experiment has gone horribly wrong and it seems the government has decided not only to cover up their mistake, but they are going to put it into production, endangering everyone who will receive the upgrade. These two, and others like them, launch out to find a place where they can get away from a world out of control. Finding in the end that the best way out, is by going back in.
