SIMON SCHUSTER, United States, 2008. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Sometimes Cupid needs a kick in the pants. For every woman tired of waiting for the right man to come along, Bewitch a Man is a fun, empowering manual that shows you how to conjure him up fast. Playboy model, actress, and real-life witch Fiona Horne combines effective, easy-to-master spells and magical know-how with candid, practical advice that will help readers look, feel, and behave like the bewitching creatures they were born to be! Unlike witchcraft, bewitchery needs no casting circles, sacred altars, or black robes (that Goth look is mighty unflattering, anyhow). Bewitchery is a simple, positive way to find love by making confident choices and harnessing the incredible female power within. Horne's infectious vibrant prose encourages women to channel their will, energy, and passion in order to cast enchantments that really work. She provides charms and spells for every scenario - making a dream guy appear, bringing a straying lover back to the fold, warding off a potential rival, and more - and also outlines sensuous rituals and erotic exercises such as Morning Magical Massage and Afternoon Aphrodisiac Attack that will keep a relationship sizzling. With illuminating quizzes and charts, humorous sidebars, and the kind of warm, wise advice you'd get from your smartest girlfriend, Bewitch a Man is a perfect gift from one woman to another, and a great anytime present for any woman to give herself.
