Roy Jenkins account of the constitutional struggle between the Liberal government of the early 20th century and the House of Lords. The battle started with the introduction of the People s Budget of 1909 and continued through two general elections until 1911, when the Lords accepted the Parliament bill. Elected to Parliament as a Labour member in 1948, Jenkins (1920- 2003) served in several major posts in Harold Wilson s First Government and as Home Secretary from 1965-67. In 1987, Jenkins was elected to succeed Harold Macmillan as Chancellor of the University of Oxford following the latter s death, a position he held until his death. Jenkins grew to political maturity during the twilight of a great age of British parliamentary democracy. As much as Churchill, though in quite a different way, Jenkins has been from the cradle a creature of the system that nurtured Palmerston and Disraeli, Gladstone, Asquith, and Lloyd George.
