Rizzoli International Publications, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. Would you like a shovel to serve your salad? Or a snow cone in your cocktail? With Barton G., there is only one thing to expect: the unexpected. For him, cooking represents an opportunity to let the imagination run wild. His message: Having fun in the kitchen is the most surefire way to create a fun party. In The Big Dish, Barton G. reveals the secrets to the unforgettable food and over-the-top presentations from his beloved restaurants so you can re-create this magic at your next party or special event. The element of surprise is an underlying theme: no dish is quite what it seems on first inspection. Take the Cheese Board, for example: rounds of brie and camembert turn out to be miniature cheesecakes, and those aren't toasts alongside-they're biscotti. Bite into what looks like a pop tart and discover a savory lobster filling. Small clay pots come planted with crudite vegetable flowers in black olive soil. Sometimes, play comes in the form of scale, such as with the Bucket o Bones: pork ribs, lamb chops, and chicken drumsticks served in a steel bucket accompanied by sauce and a paintbrush. Other signature constructions include Voo-doo Shrimp, Chocolate Kiss Cake, and Marshmallow Pizza. These dishes will cheer up even the grumpiest of guests and make anyone feel like a kid again.
