Contemporary Human Geography, Books a la Carte Edition

By James M. Rubenstein

Pearson, 2018. Loose-leaf. Condition: New. 4th ed.. Language: English . Brand New Book. NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For Books a la Carte editions that include MyLab(TM) or Mastering(TM), several versions may exist for each title--including customized versions for individual schools--and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab or Mastering platforms. For courses in human geography. What's your map to human geography? Contemporary Human Geography is a modular springboard into essential human and cultural geography concepts, designed for the modern geography reader. This brief, innovative text explores contemporary human geography with a bold, visual style, with topics organized into self-contained, two-page spreads. Rubenstein's efficient writing presents information clearly without sacrificing high-quality content. The 4th Edition offers new MapMaster 2.0, which is inspired by GIS and leverages recent data from the US Census Bureau, UN,...
