Chelsea House Pub, 2010. Bibliothekseinband. Book Condition: Neu. Neu Neuware; Rechnung mit MwSt.; new item; - On the morning of June 6, 1944, the largest and most powerful armada of warships the world had ever seen left southern England bound for the beaches of Normandy. The thousands of American, British, Canadian, Polish, and Norwegian soldiers on board had one mission: invade France and liberate it from the occupation by Nazi Germany. Over the course of the next three months, that is precisely what they, and the Free French troops who would later join them, did. From the sands of beaches code-named Utah, Omaha, Gold, Juno, and Sword, through the nearly impenetrable hedgerows of the Norman countryside, and on into the French capital of Paris, the Allied armies drove forward to victory against fierce German opposition. Read about this remarkable struggle to determine the fate of Western Europe during World War II in D-Day and the Liberation of France. 0 pp. Englisch.
