THE REVELATIONS OF AN AMERICAN CITIZEN IN THE BRITISH ARMY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Revelations of an American Citizen in the British Army Daniel H. Wallace, whose statement and affidavit follow, is an American citizen who was carried away at the beginning of the war by statements published in newspapers, as well as statements made to him by British agents who operated around newspaper bulletin-boards, about German atrocities, German militarism and the fight which Great Britain claims to be making for civilization. He was sent to the American Truth Society by the Staats-Zeitung, a German-American newspaper, published in the City of New York, in order that his evidence might be preserved. The object in setting forth his story in question and answer form was to give the reader the real statement of the man. Frequently, statements are written in narrative form, with the result that they really become the statements of the writer. They may read like fiction, but they are not always the facts. In this instance, Mr. Wallace answered in his own way and directly. The undersigned has had considerable experience in trial work as an advocate at the bar, and has had excellent opportunities of judging the credibility of witnesses. In order that the unbiased reader may be assured of the responsibility of these statements and the credibility of this witness, the undersigned has added certain documents to identify the man, but beyond that he can only say that Mr. Wallace impressed him as a reliable, truthful man.
