Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.

Brand New Book ***** Print on Demand *****.Excerpt from The Problem: A Play in Three Acts The modern drama is fast becoming a great factor in the education and upliftment of the human race. The stage or the theatre is becoming a school for the study of social problems, and a sort of pulpit where sermons are preached dealing with society's ills. From now on, the play that will meet with public approval will deal with conditions as they really exist; they will have to portray life in its true form, point out its ills, then discuss causes and remedies. In developing my theme for this play I had two things in mind. There were two distinct messages I wished to deliver and impress upon the reader's mind. One is: that man is a creature of habit, I mean inherent habits, that have been handed down from generation to generation and are instilled in the human organism, and should this habit prove to be a detriment to the human race the only way it can be abolished is by gradual education. The other is to call attention to a sphere of activity that is of far greater importance to the entire human race than any habit, liquor or otherwise. Our Industrial Problems are yet to be solved. I shall not quarrel with our prohibition friends, but enter into a path of friendly discussion with them that may lead us onward. Theories and doctrines will not help us. We need facts and deeds. And the facts prove that by passing a law that will prohibit people from indulging in an inherent habit we will only be juggling with theories that never can become...
