## MIND OF A DEEP THINKER (PAPERBACK)

Peppertree Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I really don't understand the reason why I wrote this book, however I just wanted to get the word out about my disability. I go through the same struggles and problems as an able person. There is nothing different except for the way I handle the situation at hand, or a time in my life. Anthony was born on January 27, 1993. He lived in Chicago for about eleven years then moved to the west coast of Florida in the 4th grade for a better life with his family including his mother, father, brother and two sisters. He was born with a disability called cerebral palsy, but he never let it slow him down. One thing he would like to read to understand is that everyone has a chance for greatness!.
