Many "Developments"
in One World

LAP Lambert Academic Publishing Mai 2016, 2016. Taschenbuch. Condition: Neu. Neuware - Current decline in competitiveness of many highly developed capitalist countries with innovation-driven economy stimulates scientists to find explanations for this by rethinking territory development's conceptual framework. The author suggests to withdraw from the quantitative understanding of this phenomenon which is specifically restricted to economics, that is, to replace an evolutionary (quantitative) paradigm of territory development by a pluralistic (qualitative) one, which considers the existence of different 'developments' -...
