Reviews

It is really an remarkable ebook that we actually have ever read through. I actually have study and i also am confident that i am going to gonna study once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In mourning after the sudden death of her grandfather, Annabel Lee is devastated when her beau, Allan Poe, commits himself to an insane asylum to keep his second personality--callous serial killer Edgar--at bay. In need of distraction, she eagerly accepts her father's invitation to help with his medical experiments. But his scientific study is rapidly morphing into morbid obsession. And Annabel's own attempts to cure Allan are becoming morally questionable. When Annabel begins receiving mysterious notes and then her father is kidnapped, she's left with little choice. She needs Edgar's help. The pair tracks the letters back to the dashing and quite dangerous Dorian Gray, who seems to know all about Annabel's past. The secrets he reveals force her to make a decision that may make her the most monstrous of all. This follow-up to *Of Monsters and Madness* deftly combines horror themes drawn from Robert Louis Stevenson's *The Strange Case of Dr. Jekyll and Mr. Hyde*, Oscar Wilde's *The Picture of Dorian Gray*, and Mary Shelley's *Frankenstein* to create a chilling Gothic thriller for a new era.
