Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is dedicated to you. You are my inspiration, you are my path founders who have encouraged and motivated me to produce this book. During the course of my journey in the development Sector I have got an opportunity to interact with people from different walks of life having amazing experiences. I found many happy faces among the so called less privileged or the downtrodden sections with whom I have dedicated all my professional life till date. I wonder, how these people are so happy and always in a jolly and festive mood, whereas we the team of social workers have come here to serve for them because they have been always living in scarcity? Of course they lack education, they lack money, they lack health, but they know How to live a Life and this is their Richness. I have learnt a lot from them and being a social scientist, I always try to internalize the feelings, the realizations, the social and the psychological mindset of people. This helps me a lot to evolve myself, to change and to adapt to different circumstances and things around us. This book is the outcome of my practical learning experiences dealing with human beings from different dimensions from the grassroots to the elites. Sometimes it is very vital to explore within ourselves rather than exploring the surroundings. As a human being, sometimes we find ourselves lost and suppressed by the normal routine job that the society demands from us. In this process The Real You is lost. You may shake your head and come up with excuses such as no time, no money, family responsibilities, etc. And gradually the goals...
