WE OWN THE CITY ENABLING COMMUNITY PRACTICE IN ARCHITECTURE AND URBAN PLANNING

Valiz/Trancity. Paperback. Condition: New. 304 pages. Dimensions: 9.2in. x 6.4in. x 0.9in. We Own the City examines the ways in which urban dwellers--who used to be merely clients of development--are taking ownership of their neighborhoods. Bottom-up initiatives are cropping up around the world, but institutions, government offices and developers often find themselves uncertain how to collaborate with and empower these impassioned citizens and communities. Offering solutions to this disconnect, We Own the City analyzes this international trend through five case studies,...

Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Talia Cormier**

It is in a single of my favorite publications. It really is really interesting through studying period. Your life period will probably be transformed once you start looking at this book.

-- **Janie Schultz I**

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

-- **Imogene Bergstrom**
