Getting the Best from Your Bees (Paperback)

By David Macfawn, Chris Slade

Outskirts Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book encourages you to work with the bees rather than against them. They know what they are doing and were doing it millions of years before we learnt to walk on all fours and wiggle our tails! During that long time they have learned to adapt too many changes of climate, forage, pests, predators and, now, beekeepers. They are very adaptable and this has enabled them to survive and often to thrive. Give them a chance and they will continue to do so for eons to come. There are as many ways of keeping bees as there are beekeepers. Most of them are probably mostly right most of the time. Nobody knows it all. The day I open a hive without learning something will be the day I give up beekeeping! Read bee-books (especially this one!) and talk with your beekeeping neighbours. Beekeeping programs in the United States have historically focused on theoretical test questions and answers but have not included extensive practical hive manipulation techniques. This book explores practical in-hive techniques that should be learned by at least an advanced...

Reviews

Thorough information! Its such a excellent read. It is really simplistic but unexpected situations within the fifty percent of your pdf Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Johnathon Moore**

The ideal publication i possibly go through. It is amongst the most awesome publication we have study. I am just easily will get a satisfaction of studying a published publication.
