

Ways of Knowing: In Concert (Paperback)

By -

Dordt College Press, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This collection of essays explores ways in which people know, and come to knowledge, that are fundamental to human life. The essays were drawn from a cross-disciplinary and international conference in 1998: Ways of Knowing, in Concert: Christian Initiatives and Responses. The topics range from carnal knowledge to religion; from the Truth that Jesus is to propositional truth; from faculty psychology to plastic injection molding. That this diversity makes for a concert of sorts is owing to a shared Christian spirit among the authors and their desire to acknowledge and respect the reality of creational and religious diversity and of different ways of knowing.
