

France Francais

By Susan Paton, David Edwards

Longman. Paperback. Condition: New. UNUSED, VERY GOOD, NOT EX-LIBRARY, shows signs of shelfwear, edgewear, 128 pages. "France-Francais" gives practice in the skills of practical communication in French for students working towards basic and higher levels in the GCSE examination. It has been written and designed to be used either in conjunction with the BBC Schools TV series of the same name, or independently as a skills book. The book is almost entirely in French to facilitate target language use in the classroom. Activities are practical and include information gap, pair-work and role-play tasks, encouraging students to use real French in a "real" situation. An accompanying cassette is available separately and contains much new material, as well as some recordings from the TV programme.
