

In the Path of Hizbullah Modern Intellectual and Political History in the Middle East

By A. Nizar Hamzeh

Syracuse University Press. Hardcover. Condition: New. 196 pages. Dimensions: 9.3in. x 6.1in. x 0.7in. Of the many Islamist groups that have emerged within the Muslim world over the last two decades, perhaps none has had so great an impact on Middle Eastern and International affairs as Hizbullah, the Party of God. This group of mainly Lebanese Shiite Muslims gained both infamy and fame by its resort to militancy mixed with political pragmatism in the pursuit of its goals. The oscillation between these two extremes has left most scholars and policymakers perplexed. This book serves as a pathway for understanding not only Hizbullah but also for other Islamist groups and their challenges to contemporary politics. A. Nizar Hamzeh examines the Hizbullah of Lebanon through a structural analysis using original and archival sources. Based on a constructed theoretical framework from a number of theories on crisis conditions, leadership, political parties and guerrilla warfare, In the Path of Hizbullah stands alone in its qualitative and quantitative treatment of one of the most complex contemporary Islamist organizations and provides a view of the party's future. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
