Toni Blake, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A sexy costume, a mysterious mask, and a wild Halloween party were supposed to help Julie feel like a new woman after her painful breakup. But instead she's feeling every bit as witchy as her costume would suggest-especially when she can't seem to escape a flirtatious guy in a skeleton suit. She can't see his face, but the seductive smile and his aggressive flirtation tell her he's trouble. Scott can't help but openly admire the way the witch's curves fill out her dress, and a Halloween mask makes it easy to be bold. But make no bones about it, her reactions are more confusing than a fun house maze-one moment she's offended, the next she's melting in his arms. When they end up trapped in a haunted house together, will things get scary or steamy? The Bewitching Hour was originally published under the title October Moon in 1998. This edition has been significantly expanded and revised.
