

Michel de Certeau: Interpretation and Its Other (Paperback)

Filesize: 8.43 MB

Reviews

This book is indeed gripping and interesting. It really is rally exciting through studying period. Its been written in an extremely easy way and is particularly merely soon after i finished reading this book through which in fact changed me, affect the way i think.
(Aisha Lemke)

MICHEL DE CERTEAU: INTERPRETATION AND ITS OTHER (PAPERBACK)

[DOWNLOAD PDF](#)

Polity Press, United Kingdom, 1995. Paperback. Condition: New. Language: English . Brand New Book. Since his death in 1986, Michel de Certeau's reputation as a thinker has steadily grown both in France and throughout the English-speaking world. His work is extraordinarily innovative and wide-ranging, cutting across issues in historiography, literary and cultural studies, anthropology, sociology, theology, philosophy and psychoanalysis. This book represents the first full-length study of Certeau's thought. It is organized around the central theme of interpretation and alterity, which Ahearne uses to illuminate Certeau's work as a whole. The author also examines Certeau's theory and practice of historiography; his reflection on the relations between changing historical forms of writing, reading and orality; and his distinction between the strategic programmes of the politically powerful and the tactics of the relatively powerless. Ahearne places Certeau's work in its general intellectual context, relating it to the views of important contemporary thinkers, such as Pierre Bourdieu and Michel Foucault, and demonstrating the decisive importance to Certeau's thought of the writings of the early modern mystics and travellers. This book constitutes an excellent critical introduction to Certeau's work, while also providing a comprehensive and nuanced reading for those already familiar with his thought.
