## TOTAL RECALL

Brilliance Corporation, United States, 2010. CD-Audio. Book Condition: New. abridged edition. 140 x 127 mm. Language: English . Brand New. In Total Recall, Sara Paretsky brings together several disparate plots in one gripping story. This powerfully suspenseful novel confronts the machinations of a vast and corrupt industry that trades on the victims of Nazi terrorism; the strange and dubious phenomenon of recovered memory; and a personal story that brings V. I. Warshawski into the long-buried past of her dearest friend and mentor, Dr. Lotty Herschel. Lotty was a child of nine when she came to England in 1939 as a refugee from Austria. Having lost her entire family to the Nazi terror, she grew up and completed her medical training in London - and there fell in love with a fellow refugee. She ended the affair when she discovered she was pregnant and bore the child in secrecy, giving it up for adoption. Now, that long-held secret may be exposed. At a national conference in Chicago on Jews in Modern America, a man with recovered memories makes a dramatic appearance and claim - and his name brings consternation to Lotty. V.I. is retained to find out whether or not he is a surviving relative of Lotty's. It's a search that meshes stunningly with the pursuit of another case she is on - for what she uncovers, to her great peril, is brutal insurance fraud on an international scale. Total Recall is Paretsky's most spectacular achievement to date, and takes V.I. to new heights of gusto, guts, passion for justice - and risk.
