Reviews

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

Sahitya Akademi, 2011. Hardcover. Book Condition: New. 5th or later edition. 23 x 29 cm. Rabindranath Tagore (1861-1941) became an international figure when his Gitanjali, an anthology of lyrics, originally written in Bengali and translated into English by the poet himself, was awarded the Nobel Prize for literature--the first ever to an Asian--in 1913. Since then he came to be known not only as a great writer but also as an able spokesman of modern India. Even today he is the most widely read Indian writer. Although his reputation outside the Bengali-speaking areas rests largely, if not entirely, on his English writings, no attempt had been made to put them together. Sahitya Akademi has decided to bring out a complete collection of Tagore`s writings in English--original as well as translations done by him--in four volumes. The corpus of Tagore`s English writings, large and diverse, forms a substantial part of his total work. The first volume includes most of the poetic works translated by Tagore and a few poems that he wrote originally in English. The second volume consists of plays and stories translated by him, as well as five prose works. The third volume is a collection of different genres of writings--prose works, lectures, addresses, statements, messages and conversations. This volume, the fourth, includes the remaining poems, plays, essays, lectures and addresses, conversations, writings on books and open letters, messages and tributes. Contents: Acknowledgements. Introduction. I. Poems: 1. Poems. II. Plays: 1. The cycle of spring (Synopsis). 2. The cycle of spring. 3. The car of time. 4. The dancing girl`s worship. 5. Rituranga. III. Essays: 1. The death traffic. 2. What then? 3. Religious education. 4. Indian students and western teachers. 5. Individuality. 6. The spirit of Indian religion. 7. The race problem of India. 8. Institutional religion. 9....
