A COURSE IN CONVEXITY (HARDBACK)

American Mathematical Society, United States, 2002. Hardback Condition: New. Language: English. Brand New Book. Convexity is a simple idea that manifests itself in a surprising variety of places. This fertile field has an immensely rich structure and numerous applications. Barvinok demonstrates that simplicity, intuitive appeal, and the universality of applications make teaching (and learning) convexity a gratifying experience. The book will benefit both teacher and student: It is easy to understand, entertaining to the reader, and includes many exercises...
