William Morrow Company, United States, 2011. Hardback. Book Condition: New. New.. 231 x 150 mm. Language: English . Brand New Book. Practically Radical is a manifesto for change and a manual for making it happen--in an era when change is the name of the game. Businesspeople everywhere are engaging in a dramatic rethink of how they lead, work, and get results. In an age of fierce competition and stubborn recession, the status quo just doesn't cut it. But how do you break new ground when there is so much pressure to do things the same way as everyone else? Using his years of experience and thought leadership in the business world, the cofounder and founding editor of one of the world's most admired business magazines, Fast Company, offers radical ideas and practical advice to help you fix what's wrong with your organization, launch new initiatives with the best chance to succeed, and rethink the logic of leadership itself. Practices that are routine in one field can be revolutionary when they migrate to another field. Are you the most of anything? Companies used to be comfortable in the middle of the road. Today, the middle of the road is the road to ruin. Are you getting the best contributions from the most people? It may be...
