

## Defining Moments: A Suburban Father's Journey Into His Son's Oxy Addiction (Paperback)

By MR Bradley V DeHaven

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The book is a true story about a father's blind devotion to his Oxy addicted son, chronicling the author's venture into the dangerous world of prescription drug dealers. I make many mistakes as a father, but I have always tried the best I know how. Sometimes no matter what a person does as a parent, children may travel to dangerous places. Some will return from those places unharmed and some may never return. A family can look perfect from the outside but be quite the opposite on the inside. I have lived such a life. I do not know what made me do what I did for my son but I can only surmise that it was a combination of all of the defining moments in my life that lead me to where I am today.
