# Medieval Projects You Can Do! (Paperback)

### By Marsha Groves

Crabtree Publishing Co, Canada, Canada, 2006. Paperback. Condition: New. Language: English . Brand New Book. This book is suitable for ages 8-14. This step-by-step activity book shows children how to recreate some of the crafts and special events of the medieval period using easily accessible materials. Children will especially enjoy planning a medieval feast, including making invitations, preparing the food that would have graced a noble s table, and dressing for the part. The activities include: making food that peasants or lords may have eaten, such as pottage, honeyed carrots, medieval gingerbread, and spiced cider; hosting a medieval feast and making your own invitations, decorations, and medieval menu; making your own coat of arms; weaving just as all medieval clothing was woven; making your own illuminated name card, mosaic, or stained-glass window, just like a medieval church; building miniature medieval weaponry; and hosting a travelling puppet-show just like medieval entertainers.
