Divine WebWeaver Publishing. Paperback. Book Condition: new. BRAND NEW, The Tapestry of Grace: Crafted by the Divine Weaver, Lorraine Miller, Lorraine Miller weaves a multi-coloured tapestry of her quest to true self, an inward and outward journey both heartbreaking and inspiring with startling revelations and quantum-consciousness experiences. Part One recounts childhood tragedies and unexplained past-life memories while growing up on Long Island, New York. A past-life encounter while travelling in Greece continues the process of accepting new realities. Moving across country to Arizona, a near-death accident shortly after her move and later the near-loss of her only child followed by his miraculous recovery leads to greater awareness of higher spiritual forces. Part Two tells of her quest for self-empowerment and healing through metaphysical studies and alternative therapies as she breaks away from the past and an unhappy marriage. Her life-long affinity with the animal kingdom through insightful stories shows how animals play an important role in our evolution and how we help them to evolve as well. Annotated with astrological insights by renowned astrologer, Philip Comi, he gives validation to the energies of life events as she experienced them. Lorraine Miller has over twenty-five years of study of religion, metaphysics and healing methodologies. She was licensed by the State of Arizona as a Certified Clinical Hypnotherapist in 1992.
