By Gigi Bueter

Dm Bookpro. Paperback. Condition: New. 44 pages. Dimensions: 10.0in. x 7.0in. x 0.1in. Macaroni McDuffy -Super Sleuth - Book 1 If you have heard of Nancy Drew, the Hardy Boys or enjoy movies such as Pet Detective then there is a new super sleuth on the scene. Macaroni McDuffy is as curious as Curious George. She is quite smart, very observant with super memory and because of these traits she can also solve mysteries of all kinds. Macaroni McDuffy is very special for a number of reasons. She has a rare illness known as, Fanconis anemia. Children born with this disease, often tend to be smaller than average; and may have birth defects, such as underdeveloped arms and legs. But Macaroni does not allow her disability to stop her, she uses a special chair to solve mysteries in her tall apartment building in Chicago. Come along on some of Macaronis adventures; and see how she finds Snowy the dog; solves a jewelry mystery; teaches us about honesty and trusting others; and who knows where else shell take us. This book is the introduction to a chapter book detective series for kids from 6 to 12. This item ships from multiple locations....

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
