Brand New Book ***** Print on Demand *****.Best Results for clients, families and the criminal justice system can be achieved with this new technology for change for drug court clients and those wishing to stop drinking, drugging or smoking. Improving clinician attending skills and rapport is made easier using the techniques in this book. Recommended for those practitioners interested in Adjunct Modalities of Treatment for Substance Abuse Counseling that are new, different and transformative. Have you ever wondered why we don't get better results from treatment? Me too. So I concentrated on what was missing. System goals and conflicts, communication gaps and treatment planning were identified as problems areas. You can use the information in this book and these skills to enhance your Best Practices Evidence Based modalities of treatment. This is applied Cognitive Behavior Theory and brings the CB map to life. Will you spot the visual CBT pun? The foreword tells the story for the reader. It was written by the former Chief Judge and Drug Court Judge (and founder) in my community. If you use one new idea from this book...

Reviews

This is the very best publication i have got go through until now. I am quite late in start reading this one, but better then never. I discovered this pdf from my dad and i encouraged this book to understand.
