Ten Speed Press, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This book and its exquisite pictures bring back so many memories of the beautiful way Jean-Pierre and Denise cook and live. We had a dinner at their home in Peyraut that I will never forget: Eels freshly caught from the river, wrapped in bacon and grilled over the open fire, that was perfect in its simplicity. This book is a delight to read, and perfectly captures the values that matter most: gathering with family and friends around the table and living attuned to the rhythms of the land with a deep respect for season and place." -- Alice Waters, proprietor of Chez Panisse and author of *The Art of Simple Food* "That Jean-Pierre and Denise Moull curated such a stunning collection of recipes is an inevitability. That they managed to animate each recipe with feeling and memory is a supreme act of generosity. French Roots lovingly narrates the places, times, and tastes that shaped their marriage--it's a vivid reminder of the transcendence of good cooking." --Dan Barber, chef and co-owner of Blue Hill and Blue Hill at Stone Barns "Count yourself lucky to own this book,...
