WREN JOURNEYMAGE

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The first summer of peace brings Wren on her weekly visit to the young Queen Teresa, where she encounters the derisive, upsetting Hawk Rhiscarlan riding in! Wren races to warn Teresa, only to discover that he's expected, which causes the girls first argument. Tyron gives Wren a chance to leave Meldreth by sending her on a new journeymage project--to find Connor, who had wandered off to the Summer Isles. When Wren vanishes, her scry stone abandoned, Teresa veers between regret over the argument, worry about Wren, and the beguilement of attraction as Hawk skillfully upsets her court. Wren has just made friends with some young sailors when they are captured and forced on board a shady smuggler, where Wren learns all about the sea. When pirates attack, Wren does magic, which leads her straight to another confrontation with the villain she hates most, aided by the boy she loves. What do you call these feelings? Once again the four--Wren, Teresa, Connor, and Tyron--find themselves deep in adventure, as they try to navigate the treacherous waters of growing up.
