Lemuel Walker, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.DEA Agent T.A. Reddick's life is in a downward spiral. Brokenhearted and branded a cop killer after a drug bust gone wrong, he's haunted by the guilt of hard choices made in a hail of gunfire and the pain of a fiancée who left him on Christmas Eve. Desperate to start over, he returns home to Charleston, South Carolina, hoping to shake off tragic memories. But when a movie star's death shines a spotlight on Charleston's underground cocaine trade, T.A. must go undercover to find the main supplier and shut the ring down. The pressure is on as T.A. adopts an entirely new identity and attempts to earn the trust of the powerful drug kingpin. But things are about to get even more complicated. An ex-lover shows up threatening to blow T.A.'s cover, a budding relationship with the woman of his dreams is about to fall apart, and a deadly hurricane is bearing down on the coastal city. In a high stakes game where there are no second chances, T.A. will have to leave the downward spiral of his past behind--or risk losing it all.
