Elder Road LLC, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What is the truth about Islam? -Is it the religion of peace and hospitality that some claim, or is it a murderous faith savage terrorists use to justify the slaughter of innocents? -Is Islam truly inherently anti-female, or has something gone very wrong in how Islam is interpreted and understood? -Is the Islam that is taught in most Muslim majority countries today really what the Prophet Muhammad (S) believed Allah intended? -Is every woman who marries a Muslim man doomed to be a second-class servant? Married To Islam provides answers to these questions and more. This is the true story of a beautiful, intelligent, and kind Christian European Woman who converted to Islam, married a Euro-Arab Muslim man, and had wonderful children. Her life, her studies, and her insights and perspectives shed new light on all of these questions. Dalia s stories and insights are especially powerful in that they come from the viewpoint of a woman who tries to be the good wife and kind mother in accordance with the will of Allah even as her husband s cultural, religious, and social background compress upon him until life with him becomes a psychological nightmare for her and for her children.
