This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Xulon Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book by Charlotte Baxley is a personal memoir sharing her life growing up with a caring Christian family, finding inspiration in God, and overcoming the obstacles that were thrown at her. The youngest of eight siblings, she lost her father at the age of two and was raised by her single mother. Surviving a dog attack just months after the death of her father, she was being prepared for her future struggles. Through it all, she healed with God's Word and support. Years later as a mother herself, she would be faced with overwhelming loss when their family home burns down. Confronting a community who turned their backs against her family, she made the decision to follow Jesus's example and take the high road. Finding the strength, acceptance, serenity, and love in God to carry on, she was a strong example of what living His Word really means.
