

Dari Beh Binahayat (a Door to Infinity) (Paperback)

By Reza Fattahi

Supreme Century, 2018. Paperback. Condition: New. Language: Persian-Farsi . Brand New Book ***** Print on Demand *****. The true nature of man is pure, peaceful and inseparable from the universe. However, this pure nature can gradually be veiled by a mask of personality or ego through a lifetime of interaction with the environment and social institutions. Through diagrams and extensive discussions, the author shows how the social systems, illusion of time, egos and unconscious ways of living build the vicious circles of individual and collective suffering. The book looks deeply into the roots and causes of man's unhappiness and the problems of the world, such as wars and global warming. The author, who has a background in technology, by referring to scientific findings such as those in quantum mechanics and cosmology, shows that the world of existence is not merely contained in its physical and material dimensions. Through his observations of nature, he uses a method of comparison between the intelligence in nature and artificial intelligence. The book contains beautiful poems and quotes from the greatest poets and men of wisdom such as Rumi. It relates these wise words to each subject matter to show the interconnection between wisdom,...
