This is a 20,000 words novella, or 102 print pages. A deadly accident can take a life in more than one way. Four years ago, Carlene Adams made a deadly mistake. A tragic accident derailed the future she had hoped for, taking the life of the man she had planned to spend forever with. As a self-imposed penance for her solitary sin, Carlene has given up on every dream she ever had. She has committed to spend every remaining moment trying to make up for that one instance when everything changed. Then she gets a second chance. When Carlene meets Nick Johnson, the single kiss they share awakens the desires she had shoved aside for so long. Suddenly she wants more than what she believes she deserves. Will she ever see him again? A thing of fate. Leaving the life she built on regret, Carlene waits for fate to intervene. But just as she begins to believe in a fresh start, she is forced to realize a horrible truth--one with the power to send her second chance crashing before it even takes off. Nick isn't who she thought he was. She isn't the girl he believed her to be, either. Their lives were intertwined even before they met, and if Carlene tells him the truth, she'll risk tearing them apart--for good. Due to sexual content, this book is not intended for readers under the age of 18. This item ships from La Vergne, TN. Paperback.
