Handbook of Neuroendovascular Surgery (Paperback)

By -

Thieme Medical Publishers Inc, United States, 2011. Paperback. Condition: New. New. Language: English . Brand New Book. The authors set out to produce a conglomerate of rapid facts and technical and clinical pearls for operators preparing for cases, and in this they are eminently successful. The book is a valuable resource, and an excellent icebreaker for pocket handbooks for our field. -- American Journal of Neuroradiology Ideal for both newcomers and practitioners of the specialty, Handbook of Neuroendovascular Surgery is both a succinct introduction and a quick reference guide for key concepts and technical information prior to, during, and after a procedure. It progresses logically from basic scientific concepts to equipment and technical aspects to treatment of specific neurovascular diseases, expertly capturing the core information needed in daily practice. Key Features: Contributions by neurosurgeons, radiologists, and neurologists reflect the multidisciplinary nature of neuroendovascular treatment Critical summaries of Peri-Procedural Patient Care and Equipment and Techniques to help in case preparation Generous use of tables and illustrations create fast visual summaries and distill large amounts of information Valuable appendices on routinely used technical information, pathology classification systems, endovascular medications, and full-color pictorials designed for teaching and patient education. The pictorials are available...
