## SHADOWS OF BLUE GRAY

St. Martins Press-3pl. Paperback. Condition: New. 284 pages. Dimensions: 8.4in. x 6.5in. x 0.8in. Ambrose Bierce didnt just write about the Civil War, he lived through it--on the battlefields and over the graves--and in doing so gave birth to a literary chronicle of men at war previously unseen in the American literary canon. The fact that some of these stories verged on the supernatural, others on factual reporting, and others on the fine line between humor and morbidity in no way detracts from their resonance to both the history of the war between the states and the imaginative historical literature in the tradition of Washington Irving. Shadows of Blue and Gray collects all of Bierces Civil War stories (twenty-seven in total) with six of his memoir pieces on his own experiences on the front lines. This collection includes such classics as An Occurrence at Owl Creek Bridge, A Horseman in the Sky, Parker Addison, Philosopher, and A Bivouac of the Dead; as well as lesser known stories and sketches such as The Mockingbird and Two Military Executions and memoirs of his experiences at Shiloh, Chickamauga, and Franklin. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
