It has approximately 9 million inhabitants thereof ca. 1 million immigrants . Till the end of August 2006 there had 64,681 Immigrants been given excess to Sweden. So the population is heterogeneous and is concentrated in mainly three areas of the country. In an international comparison, the Swedish overall rate of participation in education is one of the highest. The basic principle of education in Sweden is equality. This means equality of opportunities / access but also equality of outcomes / results. Everybody in Sweden must have access to an equivalent, uniform education, regardless of sex, irrespective of their social or ethnic backgrounds or their place of residence, because a well-educated society is a prerequisite for the expansion of the country s economic and the further development of the Swedish...
