Each collection of tests has been designed for use over one year and provides one section per term in order to support regular practice. Verbal Reasoning 3 is a collection of short, language-based problem solving tests. Each timed test includes age-appropriate questions, providing opportunities for children to practise and master verbal reasoning skills in preparation for the 11+ and other school selection tests. The third of six verbal reasoning books in the Rapid Reasoning Tests series, this book covers the following question types: word and letter patterns; vocabulary; spelling; number patterns and problem solving. Key features: short tests requiring few resources that are easy to fit into a busy timetable; a target time for each test encourages children to work quickly and develop the necessary exam skills for success in the 11+ and other tests; pull-out answers in the centre of each book can be easily removed; free downloads to support the series are available from the Schofield Sims website.
