

Seven Strategies for Positive Aging

By Robert D. Hill

WW Norton & Co. Paperback. Book Condition: new. BRAND NEW, Seven Strategies for Positive Aging, Robert D. Hill, A practical companion to Robert Hill's Positive Aging: A Guide for Mental Health Professionals and Consumers, Seven Strategies for Positive Aging presents essential tactics that encourage the development of positive aging skills. In Positive Aging, Dr. Hill challenged traditional conceptions about aging and offered a new theoretical framework for understanding the nature of aging. He argued that "Positive Agers" can be found everywhere, and come from all walks of life. They find satisfaction in life regardless of their personal circumstances. By adopting affirmative lifestyle choices and positive spirituality, they are able to age well. In his new book, Robert Hill explains how anyone can adopt and develop positive aging skills. Dr. Hill has drawn upon the theoretical perspective first presented in Positive Aging to develop practical exercises and techniques that are easily accessible to the reader interested in discovering how best to adapt to the aging process. The reader will discover meaning through lifespan learning, learn how to transform age-related decline, and find out how to employ the principles of continuity in order to feel good about oneself, even during challenging times....
