This pdf is wonderful. We have gone through it and so I am certain that I am going to go back to study it once more in the future. It has been developed in an exceedingly straightforward way which is merely after I finished reading through this pdf where it really transformed me, modifying the way I think.

HarperCollins Publishers India Pvt. Ltd., Noida, India, 2011. Soft cover. Book Condition: New. When you are Rajasthan, last in the plate division, never having won the title, never even coming close to a final in over three decades, you don't play to win the honour, you play to save what you can of yours. Ending up at the very bottom of the Ranji Trophy's lower division shook Rajasthan up. The team staked all it had on the season of 2010-11; it became the players one shot at redemption. This is the inspiring true story of the players' motivation, their passion for cricket, and of a cricket association that changed the rules of how domestic cricketers are groomed in India. Together, they resurrected the Rajasthan team-against all odds. This is the scintillating story of Rajasthan's first Ranji Trophy win, written by the team's highly successful opening batsman himself. If Aakash Chopra's first book laid bare the administrative apathy and corruption that domestic cricket is mired in, this one is a close-up of what it could be. Page Extent: 264.
