Brand New Book ***** Print on Demand *****.Excerpt from **The Bible as It Is: A Simple Method of Mastering and Understanding the Bible; Illustrated by Diagrams and Charts** The study of the Bible is the divine plan for our day. The increase in its sale, the large number of books upon it, the large classes for its study in many places and call for more, all attest a great revival in Bible study. This book is itself some evidence of this. It is the result of Bible lectures given in many places and of which the printed form has been asked. The word broader in the title is not used theologically nor has it any reference to other systems of study. It has reference to the want of any system that prevails in much private study. Most people study the Bible in a disconnected way, and in consequence fail to realize the value of its teachings and the interest which it creates. To many the Bible is not interesting, because it is not understood, and it is not understood because this broader view is not obtained. The study of the Bible which begins with selected portions before there is had a larger view is like studying the specifications before the perspective view of the building, or entering upon the particulars of a picture or landscape before taking a view of the whole. This, then, is the chief purpose of these studies, to give a series of bird s-eye views which will leave the whole scope plainly impressed upon the mind. Another feature is that the historical outline is followed rather than the canonical form. About the Publisher Forgotten Books publishes hundreds of thousands of...
