

The Adventures of Holly White and the Incredible Sex Machine

By Krissy Kneen

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Holly wears a ring that says true love waits and worries because her boyfriend isn't trying to persuade her otherwise. Then a boy in her English class invites her to join his book club. Shocked to find herself at sex club, plunged into the classics of erotic literature, Holly soon becomes fascinated: by the strange new world of Eros, by the increasing power she senses in her own body and by a weird blue glow emanating from the most private part of herself. But Salter and Nabokov are one thing. When Holly encounters the infernal desire machines of Dr Hoffman - quickly followed by the infamous orgone generator of Wilhelm Reich - things are set to explode. An amazing literary sci-fi superhero sex romp from Australia's genre-bending queen of erotica. Krissy Kneen is the award-winning author of the memoir Affection, the novels Steeplechase and Triptych, and the Thomas Shapcott Award-winning poetry collection Eating My Grandmother. She has written and directed broadcast documentaries for SBS and ABC television.

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
