Carlton Books Ltd, United Kingdom, 2017. Hardback. Condition: New. Tony Husband (illustrator). Language: English . Brand New Book. This is the story of football as it s never been told before. A cock-eyed compilation of match reports, correspondence, and reminiscences from pundits, commentators, players, officials and spectators who weren t there but should have been. The nutmegs, the tantrums, the penalty-shoot-outs that have provided the ubiquitous topic of male conversation for generations, are entertainingly evoked. If The Random History of Football boasted the stories were in bite-sized chunks, Luis Suarez would buy every copy!.
