### **Reviews**

*It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that I changed the way I think.*

## BEDTIME STORIES: FOLLOW THE FINGER TRAILS (MAIN MARKET ED.)

Pan Macmillan. Board book. Book Condition: new. BRAND NEW, Bedtime Stories: Follow the Finger Trails (Main Market Ed.), Campbell Books, Luana Rinaldo, A delightful first storybook designed for older babies, Bedtime Stories is a unique way for parents and babies to share and discover stories together. Each spread has finger trails cut into the page, and textured illustrations for little hands to trace. The trails wind their way around illustrations so that baby explores the illustrations on the page. Carefully placed, evocative text is a springboard for readers to take the story into new directions of their own. Each spread is a complete story that allows the baby and parent to spend time looking, talking about, exploring and touching the page. With beautiful, warm illustrations to capture the imagination, and a gentle rhythmic, lullaby-text, this book about sleepy people and creatures is perfect for little ones preparing for bed. These books help the adult to teach their baby about the world around them and to encourage language learning and communication with their little one as they read together. Other titles: Playtime Stories.
