Timothy Publishing Services, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I have always been amazed by the paradox presented in Scripture: the humble are exalted; the hungry are full; the yielded are powerful; and those who go deeper live a higher life. In Come Up Higher, Dr. Paul King has masterfully brought together influential voices from church history who have experienced and written about the higher life in Christ-the Throne Life. Their voices instruct, illustrate, and challenge us to live in the heavenlies, with Christ. Any Christian who desires to see the empowerment of life in Christ influence his or her walk, worship, or spiritual warfare will find this powerful collection of insights from 2,000 years of church history indispensable. -Dr. Gary Benedict, President, The Christian and Missionary Alliance Come Up Higher is a great book! It is greatly needed in today s church to bring correction to the extremes of not having courageous faith, not walking in authority or power on the one hand; and the other extreme of attempting to walk in the authority of imputed righteousness, moving in power, exercising faith, without the holiness of imparted righteousness. Dr. Paul King s book, Come Up Higher! Rediscovering Throne Life-The Highest Christian Life for the 21st Century, is a well written, powerful book bringing balance to a subject where balance has often not been found. I highly recommend it. -Randy Clark, Founder and President of Global Awakening and the Apostolic Network of Global Awakening Come Up Higher! Rediscovering Throne Life-The Highest Christian Life for the 21st Century is another life-changing book from Paul King. He brings us to the pinnacle of the Christian life with a privilege that is almost unimaginable and is the clearest expression of heaven on...
