

## Global Democracy: Key Debates

By Unstated

Routledge, UK, 1999. Softcover. Book Condition: New. First Edition. 240 Pages. This book presents the key debates about globalisation and links them with the growing, related discussion of the possible development of global democracy. Global Democracy presents the literatures of globalisation and democracy to explore the major debates. The first part of the book brings together three major theorists and three critiques of their work - David Held on the potential advantages of globalisation for the furtherance of democracy; Paul Hirst questioning the idea of globalisation and Danilo Zolo on the need for some kind of international governance. The second part of the book looks at structures and processes, such as the UN, global civil society, state sovereignty, the EU and democratisation from major thinkers such as Boutros Boutros-Ghali. This book provides exposition and critical examination of the latest thinking of leading authorities in the newly important fields of globalisation and global democracy. It will be a valuable textbook and resource for students of International Relations, Politics, Political Theory, and those taking courses in democratisation and globalisation. Book Description: This book presents the key debates about globalisation and links them with the growing, related discussion of the possible development of...
